PRESIDENT'S MESSAGE

Get ready! The music has returned! The 2021 Outdoor Summer Concert is really happening!

Thank you all for sharing an evening of live music with our talented musicians of the Amherst Symphony Orchestra. Our Conductor, Bryan Eckenrode, has chosen "The Three R's", words of "Rejoice, Reconnect, Restore" for tonight's concert theme of both patriotic and popular tunes. How delighted we all are to be back together, orchestra and audience, energized by songs after a long intermission. Our guest artist, internationally acclaimed Soprano Cristen Gregory's voice will help us remember the joyful feeling that music and harmony can give us. Listen for surprises as we celebrate 75 years of making music in our community.

We thank our corporate sponsor, The Amberleigh, our partner and host, the Village of Williamsville and all of you, our loyal supporters, for making this concert possible. We are hopeful for an indoor concert season and continually prepare for exciting ways to celebrate the orchestra's 75th Anniversary.

Sincerely,
Susan
